- I understand that bills are due upon receipt or by the 10th of the month. A late charge of 10% will be added at 4:30pm on the 10th. **Delinquent accounts will be Locked-Off with out notice and charged a \$50.00 non-payment fee.** Service will be reconnected when all outstanding bills and fees are paid in full. A meter being used without authorization will be pulled. The first offense tamper fee is \$200.00.
- When I move I will notify the water company of my moving date as soon as possible. I will be billed for any water used since the last billing and I agree to pay this balance within 10 days.
- **AGREEMENT TO PAY:** I, the undersigned, accept the fee charged as a legal and lawful debt agree to pay said fee, including any/all collection agency fees, (33.33%), attorney fees and/or court costs, if such be necessary.
- **TCPA:** You agree, in order for us to service your account or to collect monies you may owe, (North Dallas Water), and/or our agents may contact you by telephone at any telephone number associated with your account, including wireless telephone numbers, which could result in charges to you. We may also contact you by sending text messages or emails, using email address you provide to use. Methods of contact may include using pre-recorded/artificial voice messages and/or use of automatic dialing device, as applicable.
- I/we have read this disclosure and agree that (North Dallas Water), its employees and/or agents may contact me/us as described above.
- I understand it is my responsibility for installing a pressure-reducing valve. This valve equalizes pressure from the main to my residence.
- I understand and agree that North Dallas Water Authority is not responsible for repair beyond the meter setting.
- I understand that North Dallas Water Authority has the right to enter my property during working hours for the purpose of taking water samples.
- I understand that only one household can be connected to a residential meter.
- North Dallas Water Authority reserves the right to turn off water when the customer makes no effort to repair a leak on their line.

I will be responsible for the minimum water bill after the meter is installed, even if no water has been used.
